

Schools residential Kit List

This list is not intended to be an exhaustive list of everything that might be needed for the trip, but as a guide to get you started. If you have any questions, we suggest you contact the school staff who can liaise with the centre.

We will be outside every day during the residential, and the forecast may not be the same in Wales, as it is at home. Please bear this in mind which packing.

- Sleeping bag (Duvets available at a cost of £4.00. Please book in advance if required)
- Underwear and socks, T shirts and a couple of warm jumpers/fleeces
- Several pairs of old trousers (Please try to avoid jeans)
- Several pairs of old trainers
- Waterproof/windproof jacket, waterproof/windproof trousers
- Woolly hat, gloves, torch, plastic water bottle (an old drinks bottle will suffice)
- Night wear, indoor shoes or slippers, towels and personal wash kit.
- You might consider bringing insect repellent, sun cream, lip balm, plastic bag for last minute wet clothing
- Pocket money for gift shop (about £10 will suffice)
- Personal medication, including spares

We discourage bringing valuable mobile telephones and electronic games, and aerosol sprays (they set off fire alarms)

If the children are involved in packing, we find that they have a much better idea of what they have with them. It is very helpful if you can label clothes in some way. Please try to use soft bags rather than large cases, if possible.
